

GRANT REQUEST GUIDELINES

I. GOALS

The Professional Athletes Foundation (PAF) created the Gene Upshaw Player Assistance Trust (GUPAT) fund to provide financial support to any former professional and amateur football player or his immediate family in times of financial crisis. The GUPAT is governed by the elected board of directors for the Professional Athletes Foundation which oversees all aspects of the funding process.

II. APPROVED USE OF FUNDS

The GUPAT Fund was created to provide short-term financial assistance to former players who may be faced with a financial or medical crisis. The GU PAT can also serve as a resource for former players that are interested in returning to school to complete their undergraduate degree or obtain a trade certification. **Players seeking Educational Assistance that are eligible for The Trust's Scholarship Award Benefit, must apply via The Trust (Powered by the NFLPA). Please call 1.866.725.0063 to inquire.**

The GU PAT funds are intended to provide immediate assistance when players are faced with unusual financial, medical, or educational challenges that may call for temporary assistance. For instance, grant assistance may range from supporting a family while a player is hospitalized, assisting when a catastrophe such as home fire hits, providing tuition assistance for a former players' return to school, or assistance to keep utilities current during a demonstrated hardship. ***All applicants are expected to exhibit need.***

Funds cannot be used for long-term financial support, or supplemental income to pension and/or disability benefits. Grants are not available as loans for business transactions or purposes.
